

DESCRIPTION

Around 45 sq. m. to accommodate 1 or 2 people. The second floor apartment, which was recently built in a typical bolognese building with the traditional "portico", has a lift and is in the historical centre. It includes a kitchen living room, a bathroom with shower and a bedroom with double bed. The apartment is particularly bright thanks to the large windows that face on an internal yard. For this reason, despite its position, the apartment is very quiet.

LOCATION

The apartment is located in the city centre, a few steps away from the main roads (via Ugo Bassi, via Indipendenza etc). It is an ideal position to visit and discover the attractions the city has to offer. The area is easy to reach even from the station and the airport, and it is well-served by public transport.
